Cotesbach Rebels:

A series of talks on the subject of the Enclosures Riots

- 4th April** **Mayhem & Green Cheese: The Cotesbach Enclosures Riot of 1607**
Project launch remembering the Quattrocentenary of 2007 and the pageant performed by villagers of Geddington about their part in the Revolt of 1607 -
John Padwick
- 11th April** **The Creation of 'Captain Pouch's Dream'**
Find out from the author about the historical context of the play to be performed in Cotesbach Stable Yard on 9th & 10th June and in Geddington on 17th June - **Len Holden**
- 25th April** **Natural Boundaries': traditional Midlands hedge laying and dry stone walls**
An insight from a professional hedge layer on how our landscape has been shaped over the centuries - **Andrew Brown-Jackson**
- 9th May** **The Crying Sin of England**
Thought provoking perspective of local historian around the impact of enclosure on our world; past, present and future - **Dr John Goodacre**
- 23rd May** **Living and Farming in Laxton, Notts: 1635 to the Present Day**
Discover the origins of Cotesbach ridge and furrow from villagers of Laxton where the medieval open field farming system survives today
Joy Allison & Stuart Rose

7pm – 9pm. £5 per person, refreshments included.

Advance booking recommended.
